OFFICER NARRATIVE

On 01/14/2026 at approximately 2214 hours, I, Officer Daniel Alvarez (#5471), was on routine patrol in marked unit 214 traveling eastbound in the 1900 block of E. Riverside Dr. I observed a gray 2016 Toyota Camry bearing Texas plate TXK-4821 move from the center lane to the right lane without signaling continuously for at least 100 feet. Based on that traffic violation, I initiated a stop. The vehicle yielded near 1908 E. Riverside Dr., Austin, Travis County, Texas.

Upon contact with the driver, later identified as Marcus Reed, I observed Reed to be visibly nervous. Reed's hands were shaking and his breathing appeared rapid. When Reed lowered the driver's side window, I detected a strong odor of marijuana coming from the interior of the vehicle. I asked Reed whether there was marijuana in the vehicle, and Reed responded that there should not be. I requested Reed step out of the vehicle and stand near the rear passenger side while I continued my investigation. Reed complied.

I asked Reed for consent to search the vehicle. Reed verbally consented and stated words to the effect of, "Go ahead." I then searched the passenger compartment. Inside the closed glove compartment, I located one black semi-automatic handgun, later identified as a 9mm pistol. Inside a black backpack on the rear seat, I located a clear plastic bag containing twelve blue tablets consistent in appearance with controlled-substance pills. Reed stated he did not have a prescription for the tablets. Reed was placed under arrest and transported for booking. The vehicle was impounded, and a property/evidence receipt was completed.
