**Re: Transmittal of Texas Landowner Bill of Rights
East Loop Road Expansion Project
Parcel 14 - 1428 East Braker Lane, Austin, Travis County, Texas
City Project No. ELP-2025-07**

Dear Ms. Ramirez:

Enclosed with this letter is a copy of the *Texas Landowner Bill of Rights* for Ramirez Family Holdings, LLC in connection with the City of Lone Star's proposed acquisition of certain property rights needed for the East Loop Road Expansion Project.

The City is providing this transmittal as part of its communications with you concerning Parcel 14. This transmittal relates to the initial written offer dated January 12, 2026, for property rights affecting the commercial frontage property located at 1428 East Braker Lane, Austin, Travis County, Texas.

The City understands that Texas law requires a condemning entity to provide the Landowner Bill of Rights to a property owner in connection with an eminent domain acquisition. This letter is intended to document that the Landowner Bill of Rights was transmitted to you by certified mail and electronic mail on the date shown above.
