Re: Final Written Offer
East Loop Road Expansion Project
Parcel 14 - 1428 East Braker Lane, Austin, Travis County, Texas
City Project No. ELP-2025-07

Dear Ms. Ramirez:

The City of Lone Star is continuing its efforts to acquire certain property rights from Ramirez Family Holdings, LLC for the East Loop Road Expansion Project. This letter is intended to serve as the City's final written offer for Parcel 14 before the City considers filing a petition in condemnation.

The City previously transmitted an initial written offer dated January 12, 2026, in the amount of **\$350,000**. The City also transmitted the Texas Landowner Bill of Rights on January 12, 2026. Since that time, the City has obtained and reviewed an appraisal summary prepared by Hill Country Valuation Group with an effective date of value of February 5, 2026.

Based on that appraisal and the project file, the City hereby offers **\$435,000** as just compensation for the property rights described below. This final offer is \$10,000 higher than the appraiser's indicated compensation of \$425,000.

The acquisition is described in the parcel plat and legal description prepared for Parcel 14. The City understands that the existing tract contains approximately **5.60 acres** before the acquisition. The remainder after the fee acquisition is expected to contain approximately **4.76 acres**, excluding the temporary construction easement area.

Response Requested

Please notify the City in writing on or before **March 9, 2026, at 5:00 p.m. Central Time**, whether Ramirez Family Holdings, LLC accepts this final written offer. If the City does not receive acceptance by that date, the City may refer Parcel 14 to the Office of the City Attorney for consideration of condemnation proceedings.

The City remains willing to discuss questions about the acquisition, project plans, access during construction, or the compensation reflected in this offer. This letter does not prevent you from submitting information that you believe affects the value of the part acquired, the temporary construction easement, or the remainder property.

The City has not received an independent appraisal from Ramirez Family Holdings, LLC as of the date of this letter. If you have obtained an appraisal, engineering analysis, access study, lease information, parking study, or other materials that you believe should be considered, please provide those materials before the response deadline.
